Off Site SEO Tools

[SEOmoz Tools](#)

- **GetListed:** Helps you claim local business listings on Google+ Local, Bing Local, Yelp, along with other local search engines.
- **Followerwonk:** Allows you to delve into Twitter metrics and analytics. Analyze followers, compare users, and engage your audience.

- **Open Site Explorer:** Compare and research your competitors' backlinks for more intelligent, efficient and targeted link building.
- **MozBar:** View link metrics, analyze page elements and SERP results, and access your favorite SEO tools inline while you browse the web. For Chrome and Firefox.
- **MozCast:** Track day-to-day changes and fluctuations in Google rankings. MozCast is your daily "weather report" showing turbulence in the Google algorithm.
